

## Business Support

The EBA provides a range of services to its member-companies to foster their business support and development. The Education Centre of the Association will help you to improve your staff proficiency by offering them participation in the EBA Schools and trainings.

The Discount System is a database of discounts provided to the EBA Membership Card holders. In case staff members of the EBA companies are applying for a business - visa, the EBA will be happy to offer a visa support letter.

EBA companies can share their new openings and vacancies within the EBA community by means of placing the announcement as well as the CVs of qualified candidates in the respective sections of the web-site. To benefit from conference services and promotional and advertising opportunities please view the relevant sections.
